

BILLING / PAYMENT PROCEDURES – WV

THE FOLLOWING OUTLINE DESCRIBES HOW OUR DIRECT BILLING SYSTEM OPERATES:

(A) MUTUAL Membership Policy Fees and REWRITE Fees:

Each new policyholder may be required to pay an initial mutual membership fee of \$20. for each policy issued by the Company. In the event of policy cancellation, the fee is fully earned. The Membership fee is not shown as a part of the Rate Tables and does not apply to renewal policy terms. If a policy is canceled for non-payment of premium or at the insured's request and a rewrite of coverage is desired and acceptable, a re-write fee (\$20.) may apply. A policy re-write may also entail revised coverage or premiums, and is subject to allowed binding authority.

(B) WHAT TYPE OF PAYMENT OPTIONS ARE GIVEN TO THE INSUREDS?

Billings are determined by the term of the policy.

1. New business is NOT billed for premium (AN EXCEPTION MAY BE MADE FOR 'MORTGAGEE BILL' POLICIES -- COMPANY APPROVAL REQUIRED). Premium is due with the application submission. Accordingly, a check should be attached with the application. Each new application must be accompanied by a down payment equal to the premium for the policy term selected. Any applicable Mutual Membership POLICY FEES should be added to the premium remitted. If additional premium is required, the policy will be issued with premium due, and billed with the issued policy. Additional premium must be remitted within fifteen (15) days, otherwise, the policy may be cancelled for non-payment of premium.
2. **Quarterly** (three month) and **semi-annual** (six month) policy terms are available and the premium is calculated at 27.5% (quarterly) and 55% (semi-annual) of the annual rate. The entire premium payment should be attached to the application. The 'term' premium is to be calculated for each premium (*e.g. – fire premium x 27.5% and rounded to the nearest dollar; EC premium x 27.5% and rounded to the nearest dollar, etc.*). POLICY FEE charges apply regardless of policy term.
3. **Annual** (12 month) policy term should be remitted with full premium payment due, unless the following '6-Pay' or '3-Pay' or 'Monthly- EFT' payment plan is chosen:

Annual Term Payment Plan Options:

- 1) Annual premium paid in full at policy inception;
- 2) Annual premium paid in three (3) installments (a \$3 fee is due on each installment)

First installment	40% of annual premium, due at policy inception
Second installment	30% of annual premium due (3) months from policy inception
Third installment	30% of annual premium due (6) months from policy inception

- 3) Annual premium paid in six (6) installments (a \$3 fee is due on each installment):

First installment:	25% of annual premium, due at policy inception
Second installment:	15% of annual premium due two (2) months from policy inception
Third installment:	15% of annual premium due four (4) months from policy inception
Fourth installment	15% of annual premium due six (6) months from policy inception

(C) IS MORTGAGE BILLING AVAILABLE?

We offer the option of billing first or second mortgagee or insureds themselves, but you must remit the correct mortgage mailing address and loan number.

(D) WHEN AND HOW ARE COMMISSIONS RECEIVED?

Commission is based on premium paid. Agents are *not* to withhold commissions. Commission checks are mailed to agents by the 10th day of the following month. For example, January commissions will be mailed to agents by the 10th of February.

(E) WHAT IF THE INSURED'S PAYMENT IS NOT RECEIVED BY THE DUE DATE?

A notice of cancellation is issued ON THE DUE DATE to be effective fifteen (15) days past the due date. A copy of the cancellation notice is mailed to the insured, you the agent, and any mortgagee and additional insureds. If payment is received before the cancellation date, the policy cancellation MAY be rescinded with no lapse in coverage, and all parties will be notified. WE RESERVE THE RIGHT TO REFUSE PAYMENT IF INSURED IS HABITUALLY LATE.

(F) WHAT HAPPENS IF A PAYMENT IS LESS THAN THE PREMIUM NEEDED FOR THE TERM SELECTED?

In the event of a MINOR underpayment of the premium (\$6.00 or less), the company adds the minor outstanding difference to the next generated billing which may be an endorsement or the next renewal. In the event of a GROSS underpayment, the company reserves the right to refuse payment or reduce the policy to a term approximate to the premium remitted.

(G) WHAT ABOUT RENEWAL BUSINESS?

Renewals are automatically issued by the company twenty-one (21) to thirty (30) days in advance of the renewal date. Renewal declarations pages are mailed directly to insured, you the agent, all mortgagees, and additional insureds (if any). PLEASE REQUEST ANY CHANGES TO RENEWAL POLICIES AS SOON AS POSSIBLE SO WE CAN PROVIDE PROPER BILLING. Billing information is provided separately, it is not included on the declarations page of the policy.

(I) HOW ARE PREMIUM BEARING ENDORSEMENTS BILLED?

A revised declarations page is generated showing additional or return premium due in the "BILLING NOTICE" area. Additional premiums are due approximately 15 days after endorsement is generated, and returns are processed in a timely manner. We may require a down payment for large additional premium endorsements, and bill the remainder due. We will notify you if a down payment is required. Billing information is provided separately, it is not included on the declarations page of the policy.

(J) WHAT HAPPENS IF THIS POLICY IS CANCELED DURING THE POLICY TERM?

Policies are canceled on a pro-rata- or short rate basis or the premium is fully earned as specified in current program manuals. Any return premium is returned in a timely manner to the insured, agent or mortgagee (depending on who originally paid the premium).

(K) PAYMENTS RECEIVED IN AGENT'S OFFICE

Any payment received by agent should be forwarded to the company immediately to avoid direct notice of cancellation for non-payment. **DO NOT ACCEPT PREMIUM PAYMENTS FOR POLICIES WITH A PENDING CANCELLATION WITHOUT COMPANY APPROVAL. FOR POLICIES WHOSE CANCELLATION DATE HAS PASSED, CONTACT THE COMPANY FOR APPROVAL TO REWRITE.**
